

Welcome to our New On Line Courses!

Acorn Environmental Solutions have opened up our online enrolment and induction process for our flexible learning courses with our national partner Learning Curve Group. This means anyone in England over 19 and resident in the EU for the last 3 years can have access to our courses at no cost. These courses are a great CPD opportunity, allowing you to gain a nationally recognised accredited Level 2 qualification. Learners can be unemployed, employed or even on furlough and still participate.

- **No cost at all to the learner or your employer**
- **Nationally recognised Level 2 qualifications by NCFE/CACHE**
- **Course Completion in as little as 6 -10 weeks (based on approx. 3 hours a week)**
- **Study online.**
- **Study in own time - no need to attend college**
- **Full support from a dedicated tutor**

See below for a list of courses we offer:
